REMARKS

Listing of Claims Allowed

Both the Office Action Summary and the Detailed Action describe claims 1-35 and 37-40 as allowed. 10/14/04 Office Action. These listings do not appear to reflect Applicants' cancellation of claims 2, 4, and 6 in their amendment filed April 16, 2004. Applicants therefore believe that the allowed claims should be listed as 1, 3, 5, 7-35 and 37-40.

Nonstatutory Double Patenting Rejections

Claim 36 stands rejected under the judicially created doctrine of obviousness-type double patenting as being unpatentable over Claims 1 and 6 of U.S. Patent No. 6,770,107 to Teutsch et al. Applicants are submitting herewith a terminal disclaimer in compliance with 37 CFR § 1.321(c) to overcome the rejection.

08CN7392-2
(GP2-0200)

It is believed that the foregoing amendments and remarks fully comply with the Office Action and that the claims herein should now be allowable to Applicants. Accordingly, reconsideration and allowance is requested.

If there are any additional charges with respect to this Amendment or otherwise, please charge them to Deposit Account No. 07-0862.

Respectfully submitted,

CANTOR COLBURN LLP
